

BCCA Memorial Committee Report – 2015

There were 6 dogs memorialized this past year by 6 clubs and/ or individuals. The transition of the Memorial Plaques to a special page on the BCCA Website was completed and all new Memorials are now posted on the BCCA website.

All of the Memorial Plaques have been disassembled and the engraved plates are being retained by Carol Bond, committee Chair. To date, 138 name plates have been returned to the dog's owner and/or breeder. If you desire to have your dog's plate returned to you, please contact Carol at Beardie007@hotmail.com.

We continue to receive donations to memorialize those Beardies who have travelled over the Rainbow Bridge.

Carol Bond
Committee Chair
