-An Excel table was prepared containing the names of all (1987-2014) Versatility, Versatility Excellent, and Masters of Versatility award winners along with their sire/dam and owner information. This table was made available to the membership via the BCCA website.

-A working group was set up to amend the existing standing rules governing all levels of Versatility awards. Substantial progress has been made toward the goal of producing a uniform set of standards for all awards and updating the recognized performance areas to reflect the new titling opportunities available. We expect to finish this work in the fall of 2015 and submit proposals to the board in early 2016. The working group includes: Cindy Alspaugh, Carol Bond, Lucy Campbell-Gracie, Andrea Hobe, Laurie Lo, Casey Minner, Libby Myers-Buhite, Elaine O'Carroll, Sharon Prassa, Michele Ritter, Berh Scorzelli, Elsa Sell, Shannon Smart, Christiana Taylor, and Joanne Williamson.

Respectfully Submitted,
Joanne Williamson
