

**BCCA Committee Report – End-of-Year
2015 / 2016**

**Committee: BCCA Club Historian
Committee Chair: Gail Miller Bisher**

**Committee Members: NA
Committee Goals: 2016 / 2017**

- 1.) Scanning the remaining half of Beardie Bulletin magazines from 1996 to present for archival purposes. (These issues will not appear on the website but will be stored at AKC per the BCCA Board.) Will continue until library is complete.
- 2.) Continue collecting outstanding Specialty winner photos, videos, etc.
- 3.) Improve the design of the History pages on the website. Such as using thumbnails to list documents instead of text, etc.
- 4.) Overseeing that the files created are added to the website:
 - Historical listings of all the BCCA Award winners, by award. (These are the club's awards, excluding agility because it was already available.)
 - Historical listings (by award) of all BCCA National Specialty winners. Although there are pages displaying each specialty event on the website, having lists by award are easier for researching.
