## AGILITY

### **BCCA ALL BREED AGILITY TRIALS IN NEW HAMPSHIRE • April 11-13, 2014**

*Joanne Williamson*

This is the second year we have held three days of all breed trial agility trials in New Hampshire. Friday featured competition at the Excellent/Masters level in all four classes; Saturday and Sunday had Standard and JWW classes for all levels plus Time2Beat. Entries have been down across the board in 2014 in New England so it was no surprise that we didn't fill any of the three days. We did reasonably well, however, despite the fact that we were competing against a USDAA Regional Tournament, a CPE trial and a UKI trial for entries. We had 272 on Friday; 315 on Saturday; 290 on Sunday. We try to make entering our trials appealing to exhibitors by providing new title ribbons, beautiful MACH, PACH and PAX ribbons and bars, an NQ raffle each day and a worker's raffle and lunch for those helping out.

For a pleasant change, we had nice spring weather all three days to greet judge Dan Faulkner from Tennessee. Dan, who runs Dobermans, provided our exhibitors with lovely flowing courses that were challenging but fun and told entertaining stories at the daily briefings. Two exhibitors completed MACHs. Committee members Sonja Blanchard, Sharon Domier, Maryann Groves, Nancy May, Maureen McLatchy, and Greg Paris all worked extremely hard to make the trials run smoothly. Beardies Quincy (Sonja's), Bliss (Sharon's), Granite and Farley (Nancy's), and Flash and Jack (Joanne's) were all crowd pleasers. Sharon and Bliss made their AKC agility competition debut and qualified in three of four runs. Nancy and Farley completed Novice Jumpers and Standard titles. Flash went six for seven over the weekend and qualified in the last agility run of his ten year career doing the kind of distance work and layering he has been famous for. Flash, however, thought the highlight of the weekend was his retirement cake because he got to enjoy a piece himself!

The weekend was also a financial success for the BCCA returning \$7675 in profit to the treasury. Many thanks to our hard working committee members who made this possible.

"Bliss and I participated in our first AKC agility trial, under the able direction of Joanne Williamson. I also served on the trial committee and helped out at the trial. We didn't have a lot of beardies entered, but we did our best. Nancy May's Farley and Granite and my Bliss were entered in Preferred Novice. Sonja's Quincy ran in Masters as did Joanne's Jack and Flash. Katherine

Dupee and Sailor ran in Open. Maryann came without dogs and spent the entire day on Sunday working each class and then cleaning up at the end. Joanne really knows how to run a trial and make sure that her volunteer workers are looked after. It was a pleasure to be there and we felt like we had a lot of support whether we earned beautiful qualifying runs or had some trouble along the way. I felt quite fortunate to be able to watch Joanne's Flash run his final course in AKC agility. It was pretty! With Bliss, Farley, and Granite in Preferred Novice, we may have had the oldest novice competitors on record. Bliss is 10, Farley is 11, and Granite is 9. How about that!" - *Sharon Domier*

"It was a great time! Farley had a blast running Novice courses. He finished his Novice Standard and Novice Jumpers; so when we next show up at an AKC trial he will be in Open." - *Nancy May*

## BRAGGIN' RIGHTS

## HERDING REPORT AND NOTICES

*Elsa Sell*

Conundrums. Does anybody read the herding section of the Bagpipes? I've had feedback from only one person in response to the February herding conundrum article. Surely someone else has tried this exercise – what is your experience?

### **NEW AKC TITLE**

PT - CH Sengalas Amelia Mccrystal PT. Owner: Kristen Webb. Title date: 3/9/2014

Honoring Titles. Each person who takes on herding with their Beardie walks a pathway of learning that differs in some ways from other performance and the companion events. The training is almost always outdoors. You drive one to three hours (or more) each way for training. You may have difficulty locating a suitable trainer. The livestock is influenced by many factors. The weather controls when you can train. You compete almost always outdoors – rain, shine, sleet, heat, or snow. There may be few trials available in your area. Every title achievement, no matter the level, represents grit and drive and is worthy of recognition.

So, the recognition begins this month with Kristen Webb's Amelia and her PT.

"At 8 months of age, I decided to see if Amelia would turn on to sheep. I organized a herding event for our club, California's South Coast Beardie Bunch. Per Sandy Dubin's recommendation, we found Sara Goodman in Poway CA. I was clueless with sheep. Sara took Amelia in for me, and in bouncy Beardie fashion liked to chase sheep. Amelia qualified for her HIC at the 2013 National. Sara remarked Amelia has talent and drive. We trained 1-2 times a week and acquired our JHD (an AHBA title) at age one, last November. under Judge Ted Ondrak, who knows Beardies, and felt she could acquire her Started title with good training.

Sara is an excellent trainer and is willing to go the extra mile with Bearded Collies. Per Sara's recommendation, Amelia and I started to work together as a team. Hence started my herding career. What is nice is Amelia allows me to make plenty of mistakes. In fact when she got her 2nd AKC PT leg in March of this year, the judge commented that she is almost ready for Started but I needed some help with my handling skills. It has been a learning process, but I have been happy with Amelia's ability to out think me on sheep and take pressure to create distance."

*Kristin Webb*

### **SPECIALTY HERDING TRIALS BULLETIN COVERAGE**

Beginning with this year's National, the herding committee will have two pages to celebrate the herding trial outcomes. The herding trial chair will give an overview of the event. Award winners (The Faith Challenge Trophy, The Boone Memorial Award, and the DC Britannia Chip Thrills Memorial Trophy), HIT, and RHIT dogs' owners are invited to write a paragraph and have one photograph. Class placements will be listed, as in the past. So, get your pens ready, finish up that training, and enjoy the specialty trial.
