### **HERDING INSTINCT TEST**

Evaluator, Brian Wistrom, Stock - Sheep

Brian's observations: My impression of the dogs not passing was that it was because of not enough exposure beforehand. One litter of four had one with very keen interest, whereas the others weren't quite sure yet. One dam didn't have any/much exposure and wasn't really interested at this point in her life. Her offspring, which I didn't know before hand, was only five months old and was ready to go. I couldn't send any paperwork on because of his age, but he is definitely a good candidate for more herding training.

### **FOOD FOR THOUGHT**

Training Approaches – could those of one discipline apply to another?

I just attended a local TD/TDX tracking seminar whose instructor has come to the area for five years. He is a super teacher with wide experience in obedience (OTCHs), tracking (all titles including three tracking champions), Search & Rescue (including the FEMA program) and a just obtained first HIAs leg (and trains with Larry Painter). These seminars are where I learned a reason that some utility dogs have difficulty finding the correct scent article - over scenting of the article.

His tracking method is virtually foolproof if the requisite homework is done – three to four days/week regardless of conditions. Use different locales. Emphasis is on a triangle of skills, confidence, and motivation. You are your own tracklayer, handler, and evaluator. You teach/train virtually every time out, rather than rehearse the full track requirements. Training is NO MORE than 50% of the test track requirements. For example, the TD track has three to five turns with at least two at 90 degrees (one right, one left), length is 440-500 yards, and handler is at least 20' from the dog. Training tracks are three or fewer turns, length <250 yards, and handler only two-three feet behind the dog. A skill day (five to ten minutes) is always alternated with a motivational day (just a few minutes) throughout training. Conditioning for endurance is done elsewhere.

Can any of these principles apply to herding? What are the requisite skills for each level of test or trial and how do you assure those are in place long before a trial? How do you build and maintain confidence and motivation while developing skills? If the dog has full confidence and motivation at the outset, how do you prevent any loss? Send me your ideas and I'll use them for a future article.

## **MEMBERSHIP REPORT**

*Elizabeth Hayes, Meg Naylor, Joanne Williamson*

In 2009, the BCCA began the tradition of honoring individuals who have been continuous members of the club for 30 years. In 2014, we began to make these awards annually. The 17 honorees this year were the members of a class of 154 who joined the BCCA in 1987. In that year, the club counted over a thousand members and 760 Beardies were registered with the AKC. The 1987 National Specialty was held in Kings Island, OH and was hosted by the Bearded Collie Club of Greater Cincinnati. This National was held outdoors and, unfortunately, the weather proved a bit uncooperative. After Sweeps was judged, the rains began and the ring area became so muddy, the BOB class was held on the hotel's parking lot! Susan Glatzer judged the Puppy Sweepstakes and awarded Best In Sweeps to Sugar Bear Pinch Of Arcadia owned by Lisa Goodman. Best of Opposite Sex was Potterdale Double Image owned by Bea & Kevin Sawka. The judge for the regular classes was the pioneer English breeder, Suzanne Moorhouse of Willowmead Kennels. Her Winner's Dog and Best of Winners was Revel Manor's Magnum Force, owned by Sandy Weiss. Winner's Bitch was Linmar Aellen Star Attraction owned by Linda Weeks and Ruth Colavecchio. Best of Breed was Mistiburn Happy Memories owned by Irene Carson and Ted Turner. Best of Opposite Sex was Briery Knob Winter Harvest owned by David and Mary Jean Rudd. Best Junior was Elise Van Fleet. HIT Obedience was Britannia Master Thinker owned by Sandy Weiss.

The following will be receiving their certificates and 30 year pins shortly:

Barbara Constantine	Richard McCracken	Angela Stein
Norma DeFoor	Mary Lou McLeod	Larry Stein
William Farr	Becky Pilgrim	Jane Tadsen
Jill Floberg	Cyndie Reinheimer	Ken Walsh
Kitty Hale	Gail Romine	Sandy Weiss
Claudia McCracken	Elsa Sell	

50 Households (66 total members) failed to pay their dues by September 1, 2017 and were dropped from the roster. One of these lapsed members joined the club prior to 1980, 14 (21%) joined between 1981-1990, 18 (27%) joined between 1991-2000, 22 (33%) joined between 2001-2010, 11 (17%) joined between 2011-2017. In addition, 6 members passed away: Doris Banfield, Robert Gracie, Patrick Maloney, Maggie Riechman, Ann & Harry Witte. To date in 2017, we have added 16 new members. This represents a net loss of 56 members in the past year.

Finally, it is our sad duty to report the loss of another member of the Beardie community. Debbie Barner, wife of Terry Barner who died in 2010, passed away on October 17, 2017, after a long battle with Alzheimer's disease. Debbie and Terry were active members of both the BCCA and the Garden State Bearded Collie Clan. We offer the BCCA's sincerest condolences to Debbie's family and friends.

## AGILITY NEWS

David Williamsom, 2017 BCCA National Agility Secretary

Karen Reed can now add the prefix PACH3 to Sterling's registered name, thanks to a perfect Standard run and a well-deserved victory lap amid applause and cheers from the entire building on the Monday afternoon of agility at the Specialty. When the excitement and celebration settled a bit, Karen shared that "He is an amazing dog and has always given 110% to anything I have asked him to do. I never thought he would get a MACH or a PACH, and now he has gotten his third. He is 9 1/2 and will not be retiring anytime soon, but I don't know if we will ever make it to that 4th PACH. He just enjoys running, and the big smile on his face when he finishes a run makes it all worth it. I will run him as long as he is able, but at his age, he may start slowing down a bit more. On Wednesday of the Specialty week, he earned a first place in Rally Excellent, and it has been a long time since we really showed Rally. That shocked the heck out of me!" Congratulations and best wishes to Karen and CH PACH3 Brandmar Come Fly With Me on a special moment in a long agility career!

Karen Reed, Sterling, judge Karen Winter

## SEPTEMBER 2017 AKC DELEGATE REPORT

Kathy Coxwell • [hattieboo@gmail.com](mailto:hattieboo@gmail.com)

When Hurricane Harvey hit, AKC Reunite sprang into action.

- Two Pet Disaster trailers were immediately donated to the Houston area.
- Trailers from the Fort Worth and Dallas area were deployed.
- Fencing was donated to existing shelters to make more kennel space for rescued animals.
- 122 AKC clubs donated over \$250,000 to the relief effort, with all funds going directly to needed relief with no administrative fee.
- Funds donated for Harvey went to Houston.

AKC Reunite has established a Pet Disaster Relief Fund for donations to go to future relief as needed. Donations to this fund can be sent to AKC Reunite Pet Relief Fund. 1.6 million has been spent on trailers so far, with 63 in the field and 6 in the pipeline waiting for funds to complete them. A special thanks to the Board of the BCCA for their very generous donation of \$5000.00 which went directly to the relief efforts!

The Museum of the Dog will be moved to the new AKC home at 101 Park Ave. in New York City. The museum will be on the bottom floor to welcome visitors and show off the purebred dog world. This facility will also house the AKC Archives, and the main office of AKC. All the day to day business, and most of the staff, remain in Raleigh, NC. They are planning the move for

some time in the next two months. Plan a visit on your next trip to the Big Apple.

Plans are to launch the newly revamped AKC website this fall. Input from the fancy and the public was taken into account to try to make this website easier to use. We are all eager to see that. User sessions will be available in Orlando on the Wednesday and Thursday before the delegates' meeting on Friday.

Information on the new sport of Scent Work was presented to the delegates. There are four levels of achievement: novice, advanced, excellent, and master, using scent oils and handler scents. It takes three legs to earn the title, and they can go on for seven legs to acquire an elite title. The work is done in three environments: interior, exterior, and buried. A top level Detective class is also available.

Thirteen new delegates were introduced, and four delegates received awards for 25 years of service. Three kennel clubs were recognized for being 100 year members.

Financial information was positive. Revenue was up 3%. Litter registrations and individual dog registrations were both up 7%. Investment income was up 7% and net assets were up 14%. The operating fund is \$4.7 million.

Chapter 16, Section 6 amendment to Rules Applying To Dog Shows passed: Grand champion points can now be awarded to dogs entered in Best Of Breed before their championship is confirmed.

Chapter 11, Section 8-A amendment to Rules Applying To Dog Shows was withdrawn. The vote on the handling of disqualified dogs, was withdrawn by the Dog Show Rules committee. A new version will be drawn up and presented at a later date.

The discussion regarding the elimination of limited registration was read from the AKC Board of Directors meeting (not available on the AKC website) There was much negative discussion among the delegates regarding this.

The Canine Health Foundation reported 673 published articles and over 23,000 citations. Publication may take one to three years after the study is complete. Thirty-three vet students attended the Canine Health Conference in St. Louis. Many students owned pure bred dogs. They reported that they were

ridiculed by other vet students for not having a rescued dog. This shows how far the influence of PETA and HSUS has reached into the vet schools that are producing the future vets of America!

An interesting note for low entry breed trying to save genetic material is the new rules of ownership for frozen semen and eggs. In the past, an individual or individuals maintained ownership. The AKC board worked with the Otter Hound Club of America to allow parent clubs to own the reproductive material. A yearly signature card must be presented to inform AKC who has the right to sign for the club when the material is used for reproduction. Club owned semen will not be used when the owner of the dog has frozen semen available.

The AKC is encouraging clubs to reach to 4-H members and have Meet the Breed booths at State Fairs to encourage juniors. Junior entries are up 20%. Juniors are the future of the AKC. We all need to do more to encourage young people to get involved and do all we can to reduce the negative competition and snobbery among more experienced competitors. Good sportsmanship is the most important attribute we can teach our juniors.
