

BCCA LITTER LISTING FORM AND CODE OF ETHICS

The Bearded Collie Club of America, in order to protect, preserve, and promote the advancement and proper breeding and exhibiting of the Bearded Collie, as well as ethical practices, does hereby set forth this Code of Ethics.

- Registration with the American Kennel Club is the responsibility of the breeder. It is recommended that all terms and agreements pertaining to sales, leasing, whelping and breeding of dogs be recorded in writing.
- All members shall maintain the best possible standards of health and care of their dogs and shall sell only those who are in good health and condition at the time of sale. The breeder shall keep and pass on to the buyer accurate health, breeding, and registration records at the time of sale.
- Bearded Collies shall not be sold to pet shops, wholesale dealers, contest sponsors, or any buyer who the breeder judges will not properly care for the dog.
- All advertising will be of an honest and forthright nature.
- Good sportsmanship shall be advanced by members at all times.
- All members shall endeavor to help acquaint the public as to the Standard of the Breed as adopted by the BCCA and approved by the American Kennel Club.
- Members shall be held responsible for instructions to handlers and groomers as to the proper grooming of the Bearded Collie so as to conform to the official Breed Standard.
- Disciplinary action against any member for alleged misconduct prejudicial to the best interest of the Club or the breed may be taken by the BCCA.

HEALTH TEST REQUIREMENTS: All sires and dams must have proof of hip, eye and thyroid testing regardless of age. Dogs that are deceased and sire litters are exempt from the eye and thyroid requirements if they died prior to January 1, 2011. A copy of the health tests not listed on the OFA website (e.g., eye exams or thyroid tests not submitted to OFA; and preliminary OFA hip clearances) must accompany this form. Acceptable testing for listing is as follows:

- HIPS: OFA, PennHIP, BVA, FCI or OVC.
- EYES: OFA, or a copy of the eye exam not submitted.
- THYROID:
 - ❖ OFA thyroid test results or
 - ❖ Thyroid test results from an OFA approved laboratory or
 - ❖ Thyroid Profile 5™ (T4, free T4, T3, free T3, TgAA) (Hemolife thyroid profile laboratory result) or
 - ❖ Thyroid Profile 4 (T4, free T4, T3, free T3) (Hemolife thyroid profile laboratory result)
