9.2 Agility Trophies and Awards

9.2.1	<p>The Diehard Agility Trophy is established to honor the highest scoring bearded collie in Excellent level agility. The trophy features an original Chet Jezierski color drawing of beardies doing agility and is imbedded in acrylic and mounted on a walnut base. Plaques attached to the base allow the names of the winners to be permanently engraved. Designed by Chet Jezierski, it is offered and financed by freewill donations from the beardie agility community. Legs earned in Excellent A and B Standard, and Excellent A and B Jumper’s With Weaves (JWW) will be counted. To be eligible for this award, a beardie must earn at least three qualifying scores of 100 in Excellent Standard and JWW. The scoring system is:</p> <p>Each clean run will be awarded 1 point for every full second under Standard Course Time (SCT). In addition, each Double Q (QQ) (qualifying in both Standard and JWW on the same day) will be awarded an additional 10 points. Points will be totaled for each individual qualifying leg and QQ, and then added together to determine the dog’s total score.</p> <p>If a tie in points occurs, the beardie with the highest average yards per second (YPS calculated to 0.01 seconds) in Standard and JWW will be considered the winner.</p> <p>For Standard: YPS [course length in yards/(dog’s time on course – 5)] For JWW: YPS [Course length in yards/dog’s time on course]</p> <p>YPS will be calculated for each individual qualifying leg and the average value determined for Standard and JWW. These two averages will then be added and the dog having the highest YPS will be declared the winner. If, after carrying out this procedure, the dogs remained tied, both will listed as the winners for that year. 04/01-01, 09/01-02, 02/11-02</p>

9.2.2	<p>Denia Trophy. An annual agility competition trophy, donated by Glenn Hamilton and Emily Venator in the name of the first bearded collie to obtain an AKC Agility title, Am/Can CH Melville's Poetry in Motion TT HIC NA CGC ADC FbDCH, is awarded annually to the bearded collie achieving the highest point total by earning titles in the standard agility classes through the MX. Only legs leading to titles will be counted.</p> <p>Points will be awarded based on score according to the following sliding scale:</p> <p style="padding-left: 40px;">100 = 8 99 = 7 98 = 6 95 - 97 = 5 93 - 94 = 4 90 - 92 = 3 88 - 89 = 2 85 - 87 = 1</p> <p>If a tie occurs in point total, the tie breaking mechanism will be to calculate the average yps (yps = course yardage/(dog's time - 5)) for each dog's individual legs and calculate the average of these to 0.01seconds. The winner will be the dog with the higher yps average. If the dogs remained tied after this procedure has been carried out, both will be listed as winners of the award for that year. 05/11, 08/95-19</p>
9.2.3	<p>The Mirage Trophy for High in Jumpers With Weaves is awarded to the bearded collie with the most outstanding performance in JWW. This trophy, featuring a metal statue of Mirage performing the weave poles on a walnut base, was proposed and financed by Beth White and designed by John Stanbridge. Each year's winner will receive a statue donated by Beth White. The base will remain in the possession of the BCCA.</p> <p>To be eligible for this award, a beardie must earn at least 6 qualifying scores of 100 at any level of JWW (Novice, Open, or Excellent.)In Novice, Open, and Excellent A; only clean runs leading to titles will be counted. In Excellent B, all legs will be counted. The following scoring system is to be followed: A beardie will receive 5 points for each clean run and 1 point for each full second under Standard Course Time (SCT). If a tie in points occurs, the tie will be broken by calculating YPS for each of the tied dogs' individual legs and the results averaged. The winner is the beardie with the highest YPS. If, after this procedure is carried out, the average YPS for each of the tied dogs is the same, all will be declared winners of that year's award. 04/01-02, 09/01-02, 02/11-02</p>
9.2.4	<p>The Preferred Agility Veteran Award is sponsored by Carl Widell in memory of Cagney, the first beardie to earn Preferred Excellent agility titles. On the right side of the plaque are metal plates for inscribing the winners' names and years.</p> <p>The scoring will be based on the following sliding scale:</p> <p style="padding-left: 40px;">Qualifying Score Point Value 100 = 8 99 = 7 98 = 6 95 - 97 = 5 93 - 94 = 4 90 - 92 = 3 88 - 89 = 2 85 - 87 = 1</p> <p>If a tie in points occurs, the beardie with the highest average YPS (calculated to 0.01 seconds) for all Standard + JWW legs earned will be the winner. For Standard legs, YPS = STD course length/(time on course - 5). For JWW legs, YPS = STD course length/time on course. 05/06-01</p>

For beardies competing in Excellent B, all legs earned during the current year will be scored and there is no requirement for a title to be earned in order to be eligible for the Excellent B JWW award.</p> <p>Scoring: <u>Novice A – Excellent A:</u> The scores of the three legs leading to the title will be summed and the beardie with the highest total score will be the winner. If a tie in score occurs, YPS will be calculated (to 0.01 seconds) for each of the three title legs and the results averaged. The winner will be the beardie with the highest average YPS. The custom steel award features a shadow figure of a Bearded Collie stretched over a jump. Yards per second will be used for scoring purposes; the five fastest legs for each dog that is eligible for the award are counted; drop the high and low numbers and average the remaining three runs. Add the average for the Jumpers to the average for Standard, to get the dog's total score. The dog with the highest combined score is the winner. For example, an average jumpers yps (6.244) plus average Standard yps (5.41) equals a total score of 11.654. In the case of a tie, multiple trophies will be given.</p>

Versatility Awards

The purpose of these awards is to acknowledge members who have achieved titles with their Beardies from a variety of AKC recognized venues. There are three levels of recognition:

- VA (Versatility award)
- VX (Versatility award Excellent)
- MV (Master of Versatility)

All titles accepted by AKC as a part of a dog’s permanent record can be used to qualify for these awards. In addition, for the conformation venue only, an all breed BIS, an all breed or herding group show group placement, and/or a National Specialty BOB win will be accepted as title equivalents by the Versatility chair if the owner provides him/her with the show name/date so that the win(s) can be confirmed.

Titles can be earned in the following venues:

1. Agility
2. Conformation
3. Herding
4. Obedience
5. Rally
6. Therapy
7. Tracking
8. Miscellaneous: Includes any AKC recognized venue such as Barn Hunt, Companion (CGC), Coursing Ability, Dock Diving, Flyball, and Search & Rescue where titles are recognized by AKC but the venue is not represented by a BCCA standing committee.

Restrictions on the number of titles counted:

1. Titles must be earned in order to count. This restriction applies to herding where dogs may be started at any level.
2. In venues like agility and obedience with regular and preferred title tracks, equivalent titles in the two tracks will not be counted. For example, if a dog has earned an NA and an NAP in agility or a CD and a PCD in obedience, only one of these titles will be counted toward a versatility award from agility and obedience respectively.
3. Instinct titles, like HIC and RATI, are not acceptable to qualify for versatility awards

For the Master of Versatility award, any of the following will fulfill the requirement for a Championship Qualifying title:

1. Agility - MACH, PACH, AGCH, NAC
2. Conformation - all breed BIS, GGCH, National Specialty BOB win
3. Herding - HC
