THANKS FOR THE MEMORIES

Carol Sirrinc, 2020 BCCA National show chair

By now, all who are connected to the BCCA via Facebook groups or the Members List or You Tube know that the BCCA 2020 National Specialty actually took place June 15 - 22, 2021 at Purina Farms outside St. Louis, Missouri. It goes without saying that the 2020 BCCA National Specialty committee chairs want to thank all who took a chance on this event either attending in-person or virtually. And, as the show chair for the event, I want to thank each and every National Specialty TEAM member for their contribution in making this event one that will go down in the annals of BCCA history.

To the event chair - Brian Wistrom, herding, Cheri Omnus, agility chair, assisted by David Williamson, agility secretary, Joanne Williamson, obedience and rally chair and Nancy Shock, conformation chair, thank you for mediating all the challenges and decisions you had to make along the way to make your event shine!

To elected judges, Nicolas Broadbridge and Diane Newman, we missed you and hope to see you some time in the future; to Julie Patzius, sweepstakes judge, and Michael Canalizo, conformation judge, thank you for your professionalism, expertise, and acknowledgement of each and every exhibitor and Beardie as special in your ring. Thank you to Foy Trent Dog Shows and most especially to Susan Trent, our easy-going and expert superintendent. To our performance event judges - thank you. We were thrilled you would stick with us over the two-year hiatus to judge our events.

To Joanne Williamson, thank you for taking on the huge job of trophy chair from the sponsorship process to pulling a trailer full of BCCA club trophies, rosettes, and National trophies half-way across the country and back, making sure they were at each event! To Nancy Shock, Rosie Schroeder and Walt Ernst, thank you for handling all things conformation from judge's hospitality and gifts to running the conformation ring without a hitch. And, to Rosie - wow - what a great venue for the Welcome Party and the Closing event! Pointe Labaddie Brewery had just the right ambience! To Nicole Conner, thank you for handling Breed Education with such aplomb and expertise.

To our auction team, a compliment of southern belles - Debbie Alexander, Kay Sakowski, Nicole Conner, and Texas friends, all of whom embodied organization, talent, and beauty, along with (not-so) silent and equal partner Patty Halversen, thank you. Wozer Dozer what a tour de force! Congeniality, positive attitude and connections made this journey fun and exciting. Plus, they raised a lot of money thanks to member donations of some spectacular auction items.

To our auctioneer, Chuck Mutz, from Black Tie Auctions, we cannot thank you enough for helping us raise the roof (and money) at the Opera House of the Pacific. Thirty percent of the auction proceeds go to Rescue, with GPBCC throwing in an additional 20% of their share of auction proceeds. Musicians, Bagpipers, Men in Kilts With One Bonnie Lass (Glenn Alexander, Brian Wistrom, Darron Blackburn, David Williamson - not able to be present due to a family emergency, but at every rehearsal, all wearing kilts, plus Gretchen Blackburn, our Bonnie Lass, and the Doug Bert Ensemble) performed Broadway show tunes with Beardie lyrics by Skip Nicholson.

You were spectacular! Special thanks to Meghan Conner and Amy Danielson our auction technology gurus the night of the auction. This large group all added to the success, ambiance and fun of the auction festivities. Unfortunately, we still do not know what's under those kilts.

Then, thank you to those who put the icing on the cake. Terry Maganiello, herding, and Cheri Omnus, agility chair both created welcome bags for their respective venues that were real keepers. Thank you to Cristie Needham, long time GPBCC member, for her contribution to our herding welcome bags.

Janet Fiske, logowear chair, deserves applause for bringing out new specialty logowear with the summer heat in mind along with logowear for winter. Also, thanks to Janet for working with an artist to design the director chairs that sold out immediately and the lanyards for all the name tags in the registration materials. A standing ovation for Eileen Beachell who donated her time and talent to design and create a myriad of beautiful and unique textiles and other items for the Beardie Mercantile and specialty welcome bag; the textiles were the hit of each sales day. Cheers and shouts for the huge and inspiring photography exhibit organized and mounted on one entire wall at Purina by Darlene Ereaux and her energetic team. Kudos for the lovely parade booklet designed by Jo Burnside and placed in each Specialty welcome bag. Take a bow Carolyn Hoffman, for the elegant parade experience crafted for rescue, therapy and title holders, inviting that dynamic duo Darron and Gretchen Blackburn to MC the event.

Thank you to the professional photographic team of J&M Mulders who traveled hundreds of miles just to be with us to photograph their first love - Bearded Collies - in all venues. (Make sure to order those photos). And, to the live streaming talents and dedication of Brian Wistrom assisted by George Thomson, a true Scotsman, and Jack Szalka, also our RV Chair, who made it possible for those who could not attend the event to view it in real time.

And now for behind the scenes - there were many who took on very important roles. These eight must be called to the fore - Karen Norteman, who designed, monitored, and edited the glorious website, as well as communicated with the membership; Molly McNamara and David Williamson, both of whom kept BCCA Facebook and the BCCAmemberslist hopping with updated information (it should be noted that David was the architect of the September 2020 virtual National Specialty held on Zoom;) Cindy Smith, my assistant extraordinaire who ran the Beardie Mercantile and was my right hand person; Pat McDonald-Werner, BCCA pioneer breeder, hostess-with-the-mostest-on-the-ball, and cheerleader, who assisted in so many ways each day; Maryann Szalka, who served as our finance chair keeping us within our budget, paying those pesky bills; Michele Ritter, who served as our catalog, forms, registration chair and AKC expert; and Chet Jezierski, who designed our beautiful logo that inspired us to keep "piping in the clans".

To Rotti-Ewe owner, Tracy Parciak, and herding secretary, Kim Broster, thank you for your true Missouri hospitality (plus great sheep). And, to Purina staff, you made this event sparkle by being there at every turn of the way no matter what the request.

And last, but not least, a final thank you goes to the BCCA Board of Directors for their understanding and acknowledgement that it takes a “well-oiled machine” to pull off a National Specialty. (Note: the average age of our committee chairs was 65 years.)

In a surprise gathering ring-side, BCCA board member Lynne Corn, with BCCA recording secretary Marilyn Bergstresser nearby, presented the 2020 National Specialty TEAM the BCCA’s 2020 “Member of the Year” award. Note the word “TEAM”. As the show chair for this event, awarding an honor of this magnitude to the entire 25-member team who faced this unprecedented pandemic with bravery and courage,

Results as reported for the members by Joanne Williamson. Congratulations to everyone who trialed, to everyone who was a helper, to the trial herding committee and chair, and to the overall show committee – holding this specialty was among the more logistically challenging ever. Elsa

demonstrated to me the commitment of the BCCA board to its members and to this event. To pull off a National Specialty in the best of times takes vision, endurance, a sense of humor, and experienced leadership. In the midst of a pandemic, add courage, bravery, flexibility, and the belief in the goodness of humankind.

On behalf of the BCCA 2020 National Specialty TEAM, thank you to ALL for believing in US. We will never forget this moment.

2020 NATIONAL AGILITY RESULTS

Cheri Omnus, Libby Myers' Buhite & Joanne Williamson

The 2020 National Specialty was a long time coming but is finally in the history books! The agility trials were held Thursday and Friday. Since 2017 when the BCCA last held Nationals at Purina, the running surface has been changed to "Westminster"-style turf. It provided excellent footing for all the Beardies. Two rings were set up so that one course could be built while the one in the other ring was being used for competition. This allowed efficient running of the classes, an important consideration with four classes and 172 runs to get through each day. Cheri Omnus and her committee, Nancy Kois, Meg Naylor, Martha Fruehwald, David Williamson, Lori Weinberg and Larry Dalan, are to be commended for their efforts. Thanks to all the exhibitors and spectators who worked as well. It's impossible to run trials like these without lots of hands to pitch in when needed. Our judge, Lisa Potts provided open and flowing but still challenging courses to try every team's skills.

After the official classes of the agility trial had been completed on Thursday, two special attractions were held. First, four Beardies celebrated their retirement from agility competition

with a final glory run to thunderous applause and much barking: Andrea Hobe and Brie, Deb Alexander and McKenzie, Karen Reed and Sterling, and Suzanne O'Malley and Maggie. David Williamson and McGuffey and Kathy Tomlinson and Rhia had also planned to participate but were unable to make it to Purina. The Glory runs were followed by the annual relay competition. Nine teams of three ran a fast and furious course of tunnels and jumps. 5 Faults were assessed for each dropped bar and were added to the total time for the team; failure to complete the course in the order designed by the judge resulted in no time being recorded for that team. Win or lose a good time was had by all!

Thursday ended with the BAD dinner where the relay results were announced and the annual BCCA agility awards passed out. The pandemic restrictions on group meals at Purina were relaxed just in time to allow everyone to cap the day's competition with a fun evening of food and companionship.
