MEMBERSHIP REPORT

Joanne Williamson • balgrae@ixnetcom.com

It is my sad duty to report that we have lost a number of members of our Beardie community since last summer - Larry Abramson, Joan Degele, Ruth Anne Christiasen, Helen O'Connor, and former long-time member Robin Lee Hood have all passed away in the last six months. We offer our sincerest condolences to their friends and families.

In the process of updating my membership data base which is organized around the year a member joined, I thought it might be interesting to look at the joining anniversaries of members in the BCCA as a function of what proportion of the total club they currently make up. You can see below that our current membership consists of 42% who joined before the year 2000 and 58% who joined after 2000. The club's membership peaked at about 1,200 in 1996-1998, and has declined since, coincident with a decline in the number of puppies produced. The 2022 roster lists 650 members. Between 2015 and 2021 we have lost an average of 50 members/year, compared to about 26 members/year joining. Our community of Beardie lovers is shrinking and at this rate, in 20 years, our membership will drop to below 200!

YEARS JOINED	# MEMBERS ORIGINALLY ACCEPTED	# MEMBERS REMAINING (12/31/21)
1971-1979 (no data for '71-'77)	215	24
1980-1989	1,208	95 (7.9%)
1990-1999	1,518	156 (10.3%)
2000-2009	752	157 (20.9%)
2010-2019	306	180 (58.8%)
2020-2021	40	38 (95.0%)

What can be done about this? It would be helpful if member-breeders would make an effort to encourage people who buy their puppies and show interest in being active with them outside of their family setting, to join both an affiliate club, if there is one available, and the BCCA. In my opinion, we are giving too many year end performance awards to Beardies whose owner-handlers are NOT members but these dogs are eligible for club awards because they are co-owned by the breeder. These are people who are clearly active with their Beardies and could become valuable members.

To conclude on a lighter note, the following members received 30 year membership awards at Purina in June and st Olympia in September:

CLASS OF 1990 • 30 YEAR MEMBERS HONORED AT PURINA

James Rowan	Joyce Ann Burgett	Janet E. Atkins	Paula L Edmiston Reid
Ken Sax	Carole Desmond	Cheryl Fehrer	Randy Stone
Jerry Brainard	Jim Desmond	Dennis Fehrer	Thomas Nardone

CLASS OF 1991 • 30 YEAR MEMBERS HONORED AT OLYMPIA

Diana L. Clayton	Kathleen Dimond	Jack Buhite	Mary A. Maurer
Patsy Sullivan	Robert Lamm	Mary Steckel	Helen O'Connor
Annette Hollatz	Lesley Woodcock	Sharon T. Baker	
Susan B. Lybrand	Libby Myers-Buhite	Julie Froning	

Several of both classes of honorees attended Nationals and were able to receive their awards in person. It was great to see them again in person.

The mission of the Bearded Collie Club of America is to protect the long-term welfare of the breed by providing a variety of opportunities for Beardie owners, breeders, and the general public to learn, connect, and compete, while supporting research into breed-specific health issues and rescuing Beardies in need.

HERDING NOTES

Elsa Sell • beaconbb@bellsouth.net

2023 NATIONAL SPECIALTY HERDING TRIAL JUDGE NOMINATIONS

Standing Rule 8.4.1 • After a bid to host the national has been accepted by the board, the specialty herding trial chair will request recommendations for judges for each trial, test, and herding instinct test in the Bagpipes. Recommendations must be in writing or by email and include why that judge is recommended. The person making the recommendation must include the highest herding title he/she has earned. The recommendation must be received by the BCCA Herding Committee Chair within 60 days of publication of the request. The BCCA Herding Committee will discuss and review each recommendation and the chair will forward a list of recommended judges, including commentary, to the National Specialty Herding Chair within 75 days of the publication of the recommendation request. The judge(s) for each herding event will be taken from this list. Should all recommended judges be unavailable, or in an emergency, the BCCA Herding Committee will assist the local chair in finding an appropriate judge(s).”

Please send your recommendations to the BCCA Herding chair, by March 15, 2022.

VERSATILITY NEWS

Joanne Williamson • balgrae@ixnetcom.com

One team qualified for a Versatility Excellent award with titles completed in December; GCH Britannia Sebring Happy Days RN MX MXJ NF CGCA CGCU, owned by Kathryn Zeschin, Michele Ritter & Kirsten Andreassend. Congratulations!

SUMMARY OF TITLES EARNED IN 2021

270 Beardies earned a total of 664 titles in 2021 in all venues. This compares favorably to the number, 259, who earned titles in 2019, and represents a sharp rebound from the pandemic-restricted year of 2020 where only 159 completed titles. 193 earned titles in one venue; 53 in two; 17 in three and 7 in 4. The maximum number of titles earned by a single dog was 13. It is a difficult task in any year to compete in multiple venues successfully and requires an exceptional degree of dedication from the dog/handler teams. The Beardies completing 2021 titles in three or more venues are as follows (in alphabetical order.)

FIVE BEARDIES (AND THEIR OWNERS) QUALIFY FOR AGILITY INVITATIONALS

David Williamson • beardieboys@att.net

The 16th AKC Agility Invitational at the Orange County Convention Center in Orlando, Florida, was held on December 18-19, and those who qualified are Debbie Alexander, Jan

Leverenz, Cheri Omnus, Larry Dalan, Rich Masley, and their Beardies. What follows are Debby's and Jan's exciting accounts of the competition.

A TRIP TO THE AGILITY INVITATIONALS -- PART TWO

Jan Leverenz and her Beardie, Smitty, and Debbie Alexander and her Beardie, Ross, attended the AKC Invitational along with Cheri Omnus, Rich Masley, and Larry Dalan. Last month a Bagpipes article featured the experiences of Cheri and Rich; below is the second part of the piece -- an account of Jan's and Debbie's individual trips to Orlando, Florida, in early December.

DEBBY ALEXANDER

I was totally caught off guard when I found out that Ross had qualified for the AKC Agility Invitational in Orlando. Linda Porter, his breeder, notified me and sent the list of the final five. Between Covid and two hurricanes causing a lot of home damage for us, trialing had really taken a back seat. When I came to the realization that we could attend, I called my best agility buddy, Miranda Mulders, now living in the Dutch West Indies, to see if she would like to join me. We had traveled together with our two girls, Kizzy and McKenzie, to the Invitational in 2018. She replied with a big yes but had one concern -- Kizzy was having some serious medical issues, and if things turned worse, she would have to bail. (Sadly, Kizzy died three weeks after the Invitational.)

Ross, being the baby of our pack of four Beardies, had never traveled without McKenzie to an agility trial alone, so I took him to one by himself to build his self-confidence. We were still working on consistent running contacts and had not mastered those darn things, but I decided the agility god had looked down on us and sent us to Orlando for a vacation away from house construction.

Ross and I arrived on Wednesday afternoon and Miranda arrived that night. I like to have a full day to acclimate my boy to new surroundings, so we set up on Thursday, and I walked him around. He watched conformation, and we bought some supplies and had our scissors sharpened. There is so much to see at this great event: dock diving, conformation, obedience, rally, and FastCat. AKC does a spectacular job of running all of these

sports under one roof in the most organized manner. For us it is so much better than Nationals because you get to see every breed imaginable, and it's not a border collie convention. (Sorry folks if I stepped on some toes; it's just a personal opinion.) That night Miranda and I joined Cheri Omnus and her friends for a wonderful night of Mexican food.

Ross had a great T2B run on Thursday! He got his contacts! On Friday we ran with beautiful contacts but with wrong course faults. The wrong end of tunnels kept calling him which was probably the result of my late calls. The little fella kept his contacts all weekend which made me happy. We won by just qualifying and being asked to the Invitational.

I did not go to the Florida show with high expectations. We were not as consistent as I would like to have been to be competitive at this level. I am competitive but mostly with personal goals. All five of the attending Beardies compete with each other, but we also compete with the rest of the dogs in the 20-inch jump height. If you fall out of the running, you still want one of your buddies to stay in the race. It is so very difficult to beat those border collies, goldens, and labs. Dogs of those breeds have a difficult time getting to the Invitational since there are so many of them running agility, and that means the very best are there. The last -- and I think the only time -- one of our Beardies won in the 20-inch competition was in 2010 when Karen Barratt won with Miller. That was an over-the-top moment for all of us! Another wonderful experience was watching all the different breeds run agility; the dogs in some of the breeds are really surprising with their great athletic ability.

I enjoyed visiting with my agility friends from other states and making new acquaintances. I had the best time with my boy, Ross! He had his mom all to himself which I think was a big kick for him.

JAN LEVERENZ

Since this was probably my last Invitational, I was going -- Covid worries or not. Our trip to Orlando was good with no bad weather and only a few I-75 slowdowns due to construction or heavy traffic. We drove all the way to Marietta, Georgia, on Wednesday -- over 700 miles! We arrived in Orlando at 3:30 pm on Thursday and checked into the Residence Inn. We then went to the Convention Center and got our paperwork and wristbands along with dropping off my agility "stuff." Smitty was acting unusual, not his bouncy self, and we determined he had hurt his shoulder and lower back after slipping on the uncarpeted floor the night before. At this point, I didn't know if he would be able to run.

On Friday we set up, and then got Smitty a chiropractic adjustment before T2B. He ran, but after first refusing the weaves (in 9 years had never done this), we completed the course, barely making time. I saw a friend, also a chiropractor, and had him check Smitty. He did a deeper adjustment on the trouble spots and then gave Smitty a deep massage. On Saturday he ran much better but was still slow in the weaves, so I again got him massaged. Sunday was a repeat.

At home he consistently Qs about 95% of the time, and the only preparation I do is to trial locally and keep a 12-year-old in shape with exercise and good warmups. In Florida his two clean JWW runs were just a half-second over time. The Standard off-course was my fault, but Hybrid was awesome. His total score was 389/400!

I have been blessed with the best Beardie partner with so much heart and such a love of agility. This last Invitational was most special as his retirement is coming. All in all, Smitty gave it his best, despite the injury, and he still had a great time competing with me (barking through all of the courses). He finished 43rd out of more than 100 dogs, and, of course, without the injury we would have placed much higher.

I think AKC did a super job with the Invitational under such trying circumstances. The judges, workers, and competitors, for the most part, were all pleasant and happy to be there. I didn't get to interact with the other Beardie people due to the running orders, except Rich Masley, who was crated near me. We actually got to hang out and catch up on things.

So much fun. Great memories.

Jan Leverenz and Smitty

AND NOW... A FUNDRAISER TO SUPPORT SPECIALTY AGILITY!

Our first fundraiser of 2022 helps to offset the costs of hosting two days of agility. You don't have to run agility in order to take part in the fun — but every ticket sold helps us put on the best events ever!

Just as we did with the previous fundraiser, we'll be offering a number of useful items that you won't be able to do without. Each item will be available as long as there are tickets available. As soon as all tickets sell out, we'll hold the drawing for the item.

How to Enter

- Check out each of our fantastic fundraising items.
- Buy your tickets through PayPal.
- Wait to hear whether you've won!
- If you're a winner, you'll be contacted.
- Your item will be custom-ordered and shipped to you directly.

Tickets for each item are in limited supply — so get yours before the tickets run out!

The drawings will take place online, using a random selection program, as soon as all the tickets for a given item have been sold. If the tickets for an item are completely sold out before that date, we may choose to do the drawing for that sold-out item earlier.

Shipping is included for US residents in the lower 48 states only. If you live outside the USA and want to join in the fun, you're more than welcome — but you'll need to arrange to have your item shipped at your expense.

To view the items, go to <https://bcc2022.com/fundraising/>

Tallyho!

New year, new records!

FastCAT® is a sport that is becoming more popular every day. The term FastCAT® is a 100 yard dash for dogs, where dogs chase a lure pulled in front of the dog by a lure coursing machine. They are timed for a 100-yards, and the time is then handicapped based on the dogs height and converted into MPH. Each dog runs one at a time and collects their MPH points for each run. The first title is the BCAT title which is earned when a dog reaches 150 points. Additional titles are earned as the dog collects additional points for each run in a FastCAT trial.

AKC started keeping records in 2016. There were only two Beardies qualifying in our breed — **Nonesuch Katie Rocks MXJ CGC - Bitch**, 23.59 mph and **Nonesuch Dreamboat Annie CD MX MXJ CGC - Bitch**,

17.80 mph. In 2017, seven Beardies had discovered the sport. Last year, the numbers have jumped to 43 Beardies made qualifying runs!

Get Started With Your Own Dog

First step — learn about FastCAT® by visiting your a local AKC club and see if they offer one or both of the two types of tests: Lure Coursing or the Coursing Ability Test. You can also ask to speak with someone who has already taken part in Fast CAT as they would be more than happy to share their expertise with you.

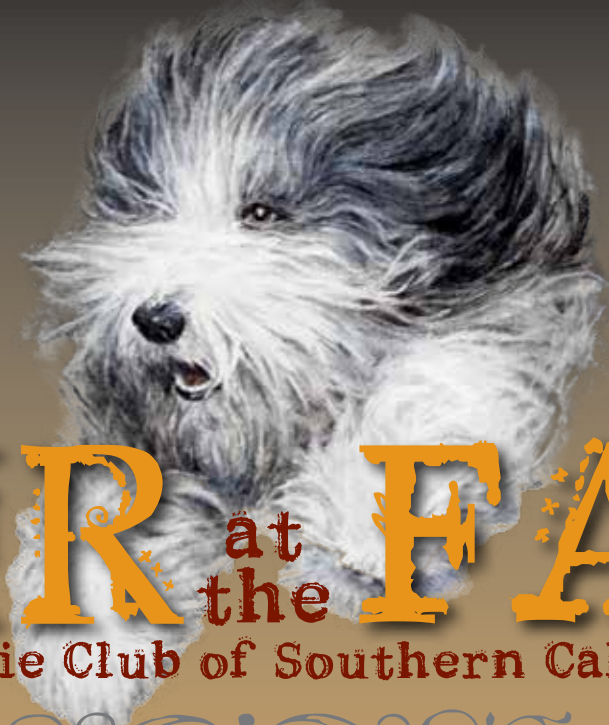

Then it's very easy to participate: Just find an event and fill out an entry form that you can get from your local AKC club's premium list.
