INVITATIONAL STANDINGS

The qualifying period for the 2022 AKC Invitational Agility Championship to be held in Orlando, FL in December of 2022 runs from July 1, 2021 to June 30, 2022. The standings below reflect the results of events held through March 31, 2022. A dog earns one point for each full second under standard course

time in Master Standard and JWW and 10 additional points for each QQ (Master Standard/JWW legs earned on the same day). The top five Beardies in the regular class standings and the top Beardedie in the preferred class standings at the end of June will receive first round invitations to compete in Orlando.

The mission of the Bearded Collie Club of America is to protect the long-term welfare of the breed by providing a variety of opportunities for Beardedie owners, breeders, and the general public to learn, connect, and compete, while supporting research into breed-specific health issues and rescuing Beardies in need.

BCCA HIC AND BEARDIE BOUNCE

Tish Pollock and Barbara Claxton

The Bearded Collie Club of Central Florida (BCCCF) held a Beardie Bounce this March in Morriston, FL, hosted by Diane Menard. Club members Barbara Claxton and Tish Pollock herd with Diane on a regular basis and were already very familiar with the facility. Tish asked if Diane would be willing to host a Bounce for the BCCCF with instinct testing. Diane agreed, so the Bounce idea was born!

Because it's been a while since another club has hosted an event with instinct testing, we thought it would be helpful to write an article for other clubs to use in hosting future instinct testing days also. The BCCCF is a large club, with mostly pet owner members so our goal was to make things fun, interesting and educational.

After discussing with club president Laura Brooker, the event was set. Barbara and Tish wrote up mini articles to share with club members in club communications to generate interest.

Laura posted communications and passed on any questions or entries onto Sue Jamison, Barbara Claxton, and Tish Pollock. Sue tracked entries, Barbara needed numbers for the form and ribbon count, and Tish was the liaison with Diane for planning the testers and stock availability. Tish was also in charge of the weather. The event was going to be held rain or shine, but we were able to tweak the times to avoid the morning rain. We had 19 dogs, and tested from noon to four.

A list of the event organizers follows, with roles. Bounce Organizers

Tish Pollock - Set event for club. Got OK from the BCCCF Board. Selected facility, negotiated pricing, arranged for judges, composed fliers and emails for instinct testing interest, set up, questions, etc. Provided review for forms and ribbon wording.

Barbara Claxton - Liaison between BCCCF and BCCA Herding Committee to ensure proper procedures for the Instinct Testing to qualify for BCCA Instinct Testing Certificates. HIT info/forms from BCCA site and ordered new score sheets for testing. Ordered qualifying ribbons. Managed score sheets and prepared for each entrant. Score sheets were ordered for the judges (2). Tracked test results. Assisted judges at award ceremony, handing out score sheets and ribbons. Also shared a nice little talk about Beardie instinct testing and results overall.

Sue Jamison - Managed entries, monies and overall Bounce. This included food, a fundraising auction and a Bingo game at the club meeting. The Bingo cards were adorable and included names of dogs in the club randomly on each card.

Laura Brooker - BCCCF President - organized all club communications for the Bounce and responses, questions, and made sure Bounce followed club procedures.

Peg Caldwell - BCCCF Treasurer - paid all Bounce And Instinct Test charges. Did final financial report. Provided information from last club bounce and instinct test. Prepared certificates for unregistered dogs that passed.

John & Karen Ford - BCCCF Vice President, Club Member - Made sure all people signed in, paid bounce fees, and signed liability release.

Results & Comments

There were 17 Beardies participating in instinct testing at the bounce. 13 dogs were AKC registered and four were not. Nine of the AKC registered dogs passed their HIT tests and all four of the unregistered Beardies passed. All passing Beardies will receive the BCCA HIC Certificate from Marilyn Snook, the HIC secretary.

General comments are that many members were interested in participating in the instinct tests. We lost several potential entrants due to the weather as storms had been predicted a week before our Bounce date. Two owners have started herding lessons since the event. Other members were very enthusiastic about their dogs and would participate in further herding tests, if offered. Two owners of Beardies who did not pass would likely test their dogs again.

Because the club hosts an annual Bounce each year, Diane has offered to host future bounces for our club. We would offer instinct testing and allow Beardies who have earned HITs to test again. It is a way to further expose Bearded Collies to their herding heritage, with the thought that more dogs would likely participate in future lessons and herding events.

Barbara and I discussed further certification beyond the HIT, (e.g. HIT1, HIT2, etc., or an informal club certificate) and thought it would be a good future discussion to have with the BCCA herding committee.

BEACON ANNOUNCEMENTS

The yearly open health registry updates have been moved from Jan-Feb to Nov-Dec. If you participate, look for the email update notice in November. If you are interested in participating, you may register and start at: <https://www.beaconforhealth.org/sqlweb>

A new series of articles is beginning this summer in *Lighting the Way*, BeaCon's e-newsletter. We are initiating a series featuring Bearded Collie breeders to follow through on Dr. Jerold Bell's health seminar for the 2021 BCCA National Specialty. He reminded us that "It is the varied opinion of breeders as to what constitutes the

ideal animal, and their selection of breeding stock that maintains breed diversity." Interviews will be done with breeders based primarily on longevity in the breed, starting with the earliest and those continuing to breed today or until the recent past. Most are from North America (contact will be Elsa Sell) or the UK (contact will be Liz Ayrton). Within a framework of questions about kennel development and mentors, mate selection criteria, and important lessons learned. We anticipate that

breeders will share their wisdom and hopes for the future.

Elsa Sell, President
