

## BCCA CONFORMATION AWARDS COMMITTEE

The 2022 conformation awards were printed in the Spring 2024 Beardie Bulletin. There is one correction which will be noted in the next edition. On page 4 CH Mccrystal Forever Timeless should be listed as Top Winning Opposite Sex in Breed Points.

All data is currently up to date and statistics for 2023 will be published when available including new ROM & ROMX titles.

## MEMBERSHIP DATABASE AND LABELS

The database is up to date. Labels are sent as needed to the fulfillment house. Since their software doesn't pick up address changes, an extra file is sent to them noting those changes since the last mailing.

## BEARDIE CAMP

Sadly Beardie Camp has run its course and will no longer be held. Times, the economy, and our demographics differ from the early 2000's. As they say, "all good things must come to an end". Beardie Camp was great fun, and I enjoyed doing it, but things have changed, and we must all accept that. I look forward to seeing how the BCCA will be helping affiliate clubs to provide fun and educational activities for their members who do not compete.

Please remove camp from the list of committees.
