

BCCA Herding Committee 2019 Annual Report for Board
Members: Sonja Blanchard, Barbara Claxton, Tish Pollock, Elsa Sell,
Marilynn Snook, Brian Wistrom. Consulting: Cindy Mendonca

Activities, Major Accomplishments

- Record AKC herding trial stats in BCCA Herding electronic database
 - Joanne Williamson provided information for HIC dogs that had been missing from earlier years.
 - With no volunteers to assist with data entry and database administration I will continue to search for either new committee members or try to find someone outside the committee with those skills and interest.
- BCCA funded database server and domain registration (beardieherding.org) continues.
- Member nominations for 2020 specialty herding trial were reviewed and passed on to Brian the Specialty Herding. He has inquiries out to two individuals.
- Herding articles and reports for monthly Bagpipes and the Bulletin.
- Yearly BCCA herding awards – all herding ROM's, Bishop, Jack Awards are electronically calculated on the database server. Top Herding Dog and Herding Dog of the Year Awards are calculated with a combination of electronic and manual work.
- New ranch style course (D) was introduced by AKC in 2018 and 3 Beardies have started D titles.
- Provided input for 2019 specialty herding trial committee through much of spring and early summer.
- Updated various reports on herding section of website

Stats Report – AKC Herding Activity for last two fiscal years. People and their Beardies have been very actively engaged in the training and trialing.

Item	7/1/17 – 6/30/18	7/1/18 – 9/30/19
HIC	16 (3 events)	10 (2 events)
HT	18	11
